"INTRODUCTION TO ZENTANGLE" CLASSES FOR NEW STUDENTS

"Introduction to Zentangle" will provide a beginner with a background in the history of Zentangle, introduce them to the basic steps of the method, and expose them to associated vocabulary and tools used. Students will be immersed in learning tangle patterns as they create actual Zentangle "tiles" and will leave with a clear understanding that, "Anything is possible one stroke at a time."®

Classes are normally held once a month on a Monday evening from 6:30 to 9:00 p.m., in the Walkerville Artists' Co-op upstairs gallery space, located at 1974 Wyandotte Street East.

Class fees are \$40 per person. As a special bonus, a beginner supply kit is included in this class. Students may keep their kit to continue their Zentangle practice at home, and should bring it with them to any future Zentangle classes.
